

IF THIS IS YOUR BIRTHDAY You will remove or make a jour

tage of good opportunities, if your mind is not clouded by worry over small annoyances and lack of personal comfort. Some illness or trouble among your friends will make demands on your time

Those born today will not be contented to settle down in any place. Their education should be along lines that will make for success in travel-ing or in foreign lands Quick judgment of people and things, an eye for beauty and a kindly interest in human nature will be of great value to them.
